

INSPIRATION AND ENCOURAGEMENT

Each thought you initiate will manifest itself unless being nullified by God. You may be on the verge of experiencing an unusual manifestation of God's blessing as you invoke His power in your circumstances through your act of faith.

Faith looks at what you have left, not at what you lost. Faith adds up the assets and does not fear the liabilities because God's grace is sufficient. Your faith will be revitalized when you practice counting your blessings.

INSPIRATION AND ENCOURAGEMENT

Our intent and purpose are to give you faith, hope, and inspiration. We hope to encourage prayer and bring peace into your life through Scripture. We want you to choose the message of Scripture that suits your unique situation best. Take time to bless and encourage another person who may cross your path with Scriptures from the Bible. May it be a reminder of God's love, guidance, and many blessings for you.

Proverbs 25:11 tells us that "A word fitly spoken is like apples of gold in pictures of silver." Many people struggle with finding the appropriate Scriptures in the Bible. Each Scripture will provide a clear promise of God's Word to help when you feel unloved, weak, impatient, or dissatisfied.

The Bible contains the mind of God, the state of man, the way of salvation, the doom of sinners, and the happiness of believers. Read it to be wise, believe it to be safe, and practice it to be holy. God cannot be found by just anyone because He is Spirit. The Bible Scriptures have been given to lead us to God. It is a closed book to those who are trying to find God on their own terms.

Lord, in this world, You have given me a place of influence and authority. I thank You for the wisdom, unique combination of gifts, and talents You have given me to serve as a leader.

God, there is not a living soul who understands me like You. Help me to walk this lonely road with confidence and courage. Keep

me far from anger and close to Your heart. Take my hand, light my way, and help me to walk on.

When God appoints a task for you, there is no time for idleness. You need to hang up on some folks and say no to some activities to receive what God has for you. Always keep moving towards what God has for you.

Stand up straight! You have had enough tragedy in your life. God has kept you alive through the years to do good in you.

The infirm woman did not panic because of her crippling disease. She had been in pain and torment for eighteen years. When the woman came into the presence of Jesus, she expected He would take care of her.

Rest and Sabbath are the ability to find eternal satisfaction in Jesus. The world will never freely give us peace and satisfaction. Jesus will give you rest and peace that will satisfy the yearning of your soul.

Our compassionate God does not neglect others to respond to our concerns. God belongs to those who fear and rely on Him rather than on themselves. He has limitless time and love for each of His children. No need is too trivial for Him. God holds His children in the palm of His hand.

All the Bible Scripture in the publication was taken from the King James Version for referring to the "Word" only.

The Bible was given to us by inspiration from God. It is useful to teach the truth and make us realize the wrong in our lives. It straightens us out to do what is right. It is God's way of making us well prepared at every point, fully equipped to do good to everyone.

Bible Reading: II Timothy 3:16-17

Happy are those who do not follow the advice of the wicked or take the path that sinners tread or sit in the seat of scoffers. In all that they do, they prosper.

The Lord has put His words in your mouth and hidden you safe within His hand.

***** ◆◆ *****

Three different times, I begged God to make me well again. Each time he said, no, but I am with you. My power shows up best in weak people. Bible Reading: II Corinthians 12:8-10

***** ◆◆ *****

Christ is not weak in His dealings with you. He is a mighty power within you. His weak, human body died on the cross but now lives by the mighty power of God. I said to myself, I am going to quit complaining! I'll keep quiet, especially when the ungodly are around me. As I stood silently, the turmoil within me grew to the bursting point. I will not open my mouth to speak one word of complaint.
