10% of our net profits fund projects to improve the lives of cocoa farmers, including digging wells for fresh water, funding savings and loan programs, planting seedlings to protect the future of cocoa, and more.

It's imperative that our cocoa farmers are paid well and able to live quality lives. Whenever possible, we source directly from the farmers who grow the beans used in our chocolate. In locations where we aren't able to do so, we're proud to source Rainforest Alliance Certified cocoa.
