September 2026

September brings a sense of renewal and routine. The busy pace of summer has given way to the rhythm of fall, with schools back in session, schedules filling up, and the first signs of the changing season appearing all around us. It's a time to settle into new routines, embrace fresh starts, and enjoy the comforts that come with cooler days and crisp autumn mornings.

At Frontier Co-op, we're embracing all the flavors and traditions that make fall such a special time of year. As the days grow cooler and kitchens fill with the aromas of homemade breads, apple desserts, hearty soups, and other seasonal favorites, it's the perfect time to gather around the table and enjoy the comforts of home. Freight Adjustment Policy

A \$5.50 fuel recovery fee is currently applied to orders receiving free freight to help offset freight costs. Effective September 2026, this fee will be eliminated.

Pricing will include freight costs based on a national fuel benchmark of \$3.89 per gallon. When fuel and freight costs exceed this benchmark, a freight adjustment surcharge may be applied. The surcharge is reviewed regularly using current carrier rates and market conditions and, when applicable, will appear as a separate line item on your invoice.

This approach provides a more flexible and transparent way to manage changing freight costs, while ensuring customers are not charged an additional surcharge when freight expenses remain at or below the benchmark.

Paperless Invoices

At Frontier Co-op, we are always looking for ways to reduce our environmental impact and promote sustainability. As part of this effort, we will be phasing out paper invoices and transitioning to a digital-only

system starting September 1, 2026. To access your invoices, you can scan the QR code provided on your packing slip in your shipment, visit our website and log into your account or contact our customer service team for assistance.

Catalog Prices

While we make every effort to provide our customers with the most accurate, up-to-date information, pricing listed in this catalog may change due to market fluctuations and manufacturers' price changes. Also, Frontier does not offer rainchecks on out of stock items. For more information on price changes, please contact Customer Service, Inside Sales and/or our wholesale website at wholesale.frontiercoop.com.

Return Policy

A 20% restocking fee may apply on returns to Frontier. Products being returned must be in saleable condition; products with external stickers applied to the product will not be accepted. All customers are responsible for reviewing MAP and online reseller agreements and must comply with the requirements for each distributed brand.

Order online at wholesale.frontiercoop.com or by phone 1-800-669-3275 M-F 8am-5pm CST

Doing Good, Works.

Frontier Co-op's non-profit partner TABLE, works to alleviate the risks of hunger and improve children's health by making quality, organic food accessible to families in Orange County, NC.

Advancing Food Security Through the Simply Organic® Giving Fund

During Hunger Action Month this September, we're proud to recognize the impact of the Simply Organic Giving Fund and our nonprofit partners working every day to address food insecurity across the United States and Canada.

Rooted in Simply Organic commitment to organic integrity and nourishment, the Simply Organic Giving Fund supports organizations that are expanding access to organic, nutrient-dense food for individuals and families experiencing food insecurity. Since launching in 2018, the fund has invested more than \$1 million in community-based programs that are helping improve food access while strengthening long-term hunger relief efforts.

The Giving Fund prioritizes partnerships that not only address immediate needs, but also improve the quality and accessibility of healthy food options in underserved communities. This includes supporting organizations that provide fresh, culturally relevant foods, strengthen local food distribution systems, and deliver measurable impact through meals served and individuals reached.

Dion's Chicago Dream's Dream Deliveries program stabilizes quality and access by offering fresh produce straight to the doorstep of the Chicagoland residents that it serves.

By investing in practical, scalable solutions led by trusted nonprofit partners, the Simply Organic Giving Fund helps build stronger, more resilient communities while advancing long-term food security. Together with our employees, customers, sourcing partners, and member-owners, Frontier Co-op remains committed to helping nourish people and communities in meaningful and lasting ways.
